

# Corner Shears

Add flair to nameplates, signs, trophy plaques and more. If you have materials requiring Rounding, Notching, Scalloping, Slotting or Piercing then these are the tools you will want. Choose from our standard base, which accepts all but our largest punches, or our large base, which accepts them all. Corner Rounders now feature a new "Foreverwear Finish" which provides longer unit life.

Item #: **ER-BASE** (Standard)

Item #: **ER-BASE-LG** (Large)
